## DD080

### DD080-KIT1

**Industrial 9HP Honda Driven Petrol Pressure Washer & 21" Stainless Steel Surface Cleaner**

### DD080-KIT2

**Industrial 9HP Honda Driven Petrol Pressure Washer & 19" Poly deck surface cleaner**

### DD080-KIT3

**Honda Driven Petrol Pressure Washer + Property Maintenance Starter Kit Bundle**

### USP's

- 9HP Black Edition Honda GX2700X Petrol Engine, 200 Bar, 15 L/Min.
- Superior Crankshaft & Bearing Technology
- Cataphoretic Paint Coating And Nickel Plated Pump Heads
- Large Pneumatic Wheels For Easy Manoeuvrability Over Rough Terrain
- 3 Metre Long Crush & Kink Resistant Suction Hose With Weighted Filter

## DD130

### DD130-KIT1

**Industrial 13HP Honda Driven Petrol Pressure Washer & 21" tufTURBO Stainless Patio Cleaner**

### DD130-KIT3

**13HP Honda Driven Petrol Pressure Washer & 21" tufTURBO Stainless Patio Cleaner & 8M Telescopic Lance**

### USP's

- 13HP Honda Petrol Engine GX390, 300 BAR MAX (250BAR WP), 15 L/MIN.
- Super Series XHDH500SS durable high-performance pump.
- Compact robust frame for the toughest conditions.
- Tough build & highly versatile & very reliable.
- Pressure & flow adjustment to adapt to different site conditions.
- Easy to manoeuvre over rough terrain - simple to operate.
- Puncture proof wheels.
- Ideal for traversing over rough terrain.

## GB080

### GB080-KIT1

**Industrial 9HP Gearbox Driven Honda Petrol Pressure Washer & 21" tufTURBO Stainless Steel Patio Cleaner**

### USP's

- 9HP Black Edition Honda GX2700X Petrol Engine, 200 Bar, 15 L/Min.
- New V-TUF Super Series Gear-Box Driven Pump 200 Bar, 15lpm
- Superior Crankshaft & Bearing Technology - Pumps Run Smoother, Quieter, Cooler and for longer
- Extra Corrosion Resistance - Cataphoretic Paint Coating And Nickel Plated Pump Heads
- V-Cool Technology - Extra Cooling Fins On Pump
- New 3 Metre Long Crush & Kink Resistant Suction Hose With Weighted Filter
- Pump Priming Valve

## GB110

### GB110-KIT1

**Industrial 13HP Gearbox Driven Honda Petrol Pressure Washer & 21" tufTURBO Stainless Patio Cleaner**

### GB110-KIT2

**Industrial 13HP Gearbox Driven Honda Petrol Pressure Washer & 30" V-TUF tufTURBO750 XL 750mm SURFACE CLEANER**

### USP's

- 13HP Black Edition Honda V-TUF Petrol Engine - Complies With Euro V Emission Standard
- Super Series Pump & Gearbox For Increased Pump Life. 200 Bar, 21 L/Min.
- Superior Crankshaft & Bearing Technology - Pumps Run Smoother, Quieter, Cooler and for longer
- Extra Corrosion Resistance - Cataphoretic Paint Coating And Nickel Plated Pump Heads
- 3 Metre Long Crush & Kink Resistant Suction Hose With Weighted Filter & Bypass Back To Tank

## RAPIDVSC240

**RAPIDVSC240-KIT4**  
100L Vacuum Cleaner + 20FT  
CARBON FIBRE GUTTER  
CLEANING KIT

### USP's

- 304 Stainless Steel cover and chassis with bumper bars
- 4-wheels for ease of transport over uneven or soggy terrain
- Heats water to 90 C on full pressure and 150 C on steam stage
- Diesel boiler compatible with HVO (bio diesel) fuels
- Low centre of gravity helps prevent toppling
- The powerful pump can draw from a water butt/IBC
- Boiler protection against low water pressure
- Simple adjustable temperature control
- Double pass heat exchanger guarantees hotter water with less fuel usage
- Fully protected electrics from water ingress

## ACCESSORIES & ADD-ONS

**H1.002TT**  
12 Inch (300mm) 275BAR  
150°C Stainless Steel  
Surface Cleaner - MALE SSQ  
INLET

**H1.006**  
19" 500mm Heavy Duty  
Spinning - with Poly Deck &  
Advanced V-Spin Technology

**H1.007TT**  
Stainless-Steel Industrial -  
SOFT GRIP tufGUN TRIGGER  
and with Advanced V-Spin  
Cleaning Technology

**T2.GCX42CF**  
Carbon fibre telescopic lance  
2.5 - 12.8M - Comes with Belt  
& Gutter Cleaning attachment

**RAPIDHB240-21**  
RAPID HB 240-21 HOT BOX  
240VOLT with Steam Relief  
System

**VTUFT13-GB250HR**  
RAPID HB 240-21 HOT BOX  
240VOLT with Steam Relief  
System
