- Thermal pump protection.
- Lance comes complete with safety trigger lock.
- 4 Durable Fork lift pickup points for easy lifting - more stable than the standard 3
- Optional antifreeze tank sold separately

### WHY BUY?

The new V-TUF Deluge heavy-duty towable 10HP diesel pressure washer is fitted with a 2000-litre water tank and mounted on a highway-approved trailer for easy transportation between job sites. Built with a durable 5mm hot-dip galvanised steel chassis and European Whole Vehicle Type Approval, it is suitable for towing on public roads. Designed for remote and hard-to-access locations, the machine features an HDPE water tank with internal baffles to minimise water movement during transit. An ideal solution for hire and rental applications.

### ADVANTAGES

- Bowser, Trailer & Pressure Washer Manufactured in the UK Robust T-Frame chassis fully Hot dipped galvanised, European whole Vehicle Type approved.
- 2000 litre durable Polyethylene tank, with generous 550mm hinged lockable cover. Internal baffle, frost drain and filler strainer as standard.
- 2 x 235 /85 X 16 X 12 Ply radial tyres
- Lance holder integrated into the trailer complete with 40 Metre hose reel storage
- Side / front reflectors, lighting equipment complete with 13-pin plug and 7-pin adaptor.
- Break-away cable.
- Mounted dust cannon for supressing fine airborne dust with a high-powered water mist
