WASHFLEX PROFESSIONAL WATER HOSE PRO – is a popular anti kink industrial hose pipe (an ideal pressure washer feed hose). It is also used in agricultural hose applications and by the discerning user as quality garden hose.

- WASHFLEX PROFESSIONAL WATER HOSE is a WINNER due to its durability, flexibility, wear resistant outer skin and anti-crush design.
- WASHFLEX PRO WATER HOSE has a working pressure of 10 bar ideal hose to connect to taps with standard mains pressure or low pressure. The hose has been tested to burst at 60 bar (five times the recommended working pressure).
- WASHFLEX PRO hose is compatible with DURAKLIX KCQ, NSQ, GKC Hose coupling ranges.
- WASHFLEX PRO is highly flexible with an excellent bend radius and remains flexible in freezing conditions.
- WASHFLEX PRO is Phthalate Free, Phenol Free, Phytotoxic Free Material (Plant Friendly material) and is made from virgin materials which is the secret of its durability.
- The WASHFLEX PRO is REACH approved which ensure that the water and environment is not contaminated.
- WASHFLEX PRO is manufactured in Great Britain
