# HD140HOT 240V HOT WATER PROFESSIONAL MOBILE PRESSURE WASHER

Using a hot water power washer means you can clean surfaces effectively while using less detergents, or at best, no agents at all, while also using the heat to sanitise the surfaces. Using hot water to clean also helps loosen the dirt much faster, making cleaning a lot easier. The HD140HOT is the perfect entry level hot water steam cleaner for light and medium duty cleaning.

240 VOLT

140 BAR

8 LITRES PER MINUTE

Boiler protection against low water pressure

Simple ON/OFF switch arrangement
