KIT 1

GCX4000-240

GCX4000-240-KIT1
1.75KW 37L WET & DRY Vacuum Cleaner +
20FT CARBON FIBRE GUTTER CLEANING KIT

GCX4000-240-KIT2
1.75KW 37L WET & DRY Vacuum Cleaner +
40FT CARBON FIBRE GUTTER CLEANING KIT

WHY BUY?

- Powerful 1750W Motor - confirmed to be plenty of power for standard size houses
- Compact and easy to move/fit in van
- HEPA filter and metal filter shroud for better filtration/reduced clogging
- 37L impact resistant Tank
- Large 51mm Side entry inlet
- Cyclone anti-clog tech
- Washable filter
- 5m high-vis cable
- Strong metal trolley
- Twistable airflow vent to control suction

KIT 2

KIT 3

KIT 4

GCX5000-240

GCX5000-240-KIT1
3.5KW 50L WET & DRY Vacuum Cleaner +
20FT CARBON FIBRE GUTTER CLEANING KIT

GCX5000-240-KIT2
3.5KW 50L WET & DRY Vacuum Cleaner +
40FT CARBON FIBRE GUTTER CLEANING KIT

WHY BUY?

- Powerful suction twin motors - combine to 3500W
- Compact and easy to move/fit in van
- HEPA filter and metal filter shroud for better filtration/reduced clogging
- 50L stainless steel tank - robust
- Large 51mm Side entry inlet
- Cyclone anti-clog tech
- Washable filter
- 5m high-vis cable
- Strong metal trolley
- Twistable airflow vent to control suction

GCX8000-240

GCX8000-240-KIT1
3.5KW 80L WET & DRY Vacuum Cleaner +
20FT CARBON FIBRE GUTTER CLEANING KIT

GCX8000-240-KIT2
3.5KW 80L WET & DRY Vacuum Cleaner +
40FT CARBON FIBRE GUTTER CLEANING KIT

WHY BUY?

- Powerful suction from twin motors - combine to 3500W
- HEPA filter and metal filter shroud for better filtration/reduced clogging
- Large 80L impact resistant tank - less emptying, more operation time
- Large 51mm Side entry inlet
- Tippable for easy emptying/draining
- Cyclone anti-clog tech
- Washable filter
- 5m high-vis cable
- Strong metal trolley
- Twistable airflow vent to control suction

GCX9000-240

GCX9000-240-KIT1
100L Vacuum Cleaner + 20FT
CARBON FIBRE GUTTER
CLEANING KIT

GCX9000-240-KIT2
100L Vacuum Cleaner + 40FT
CARBON FIBRE GUTTER
CLEANING KIT

GCX9000-240-KIT3
3.5KW 100L Vacuum Cleaner + 20FT
GCX PRO CARBON FIBRE GUTTER KIT,
CAMERA & BAG

GCX9000-240-KIT4
3.5KW 100L Vacuum Cleaner + 40FT
GCX PRO CARBON FIBRE GUTTER KIT,
CAMERA & BAG

WHY BUY?

- Powerful suction from twin motors - combine to 3500W
- HEPA filter and metal filter shroud for better filtration/reduced clogging
- Massive 100L stainless tank - less emptying, more operation time
- Heavy-duty, large-bore 51mm Side entry inlet
- Tippable for easy emptying/draining
- Cyclone anti-clog tech
- Washable filter
- 5m high-vis cable
- Strong metal trolley
- Storage basket for accessories
- Twistable airflow vent to control suction
